Coastal Empire Polio Survivors Association, Inc. (CEPSA)

Shining Light on Post-Polio Health

*Polio may be forgotten ...
but "WE'RE STILL HERE!"*

There are approximately 2 million polio survivors living in America today with an alarming number experiencing Post-Polio Syndrome (PPS), the unexpected and often disabling new symptoms occurring over 40 years after the initial poliovirus. CEPSA is dedicated to LOCATING polio survivors; to PROMOTING public awareness of polio, Post-Polio Syndrome, polio immunizations, global polio eradication, and local accessibility issues; and to TELLING the world "WE'RE STILL HERE!"

WELCOME TO OUR COMMUNITY

On behalf of our Disability Council, we are pleased and honored to present you with this fall 2010 edition of our Accessibility Guide to Savannah's Historic District. This work is the collaborative product of local advocates who want to share their respective knowledge of accessible places which make our community unique. Our goal is to enhance your experience and to share with you the place that we call home.

Typically, historical cities have presented visitors and residents with a variety of accessibility challenges. From the veteran with a newly acquired limitation to a newborn who is experiencing Savannah anew from a stroller, we recognize that our community has barriers. But a barrier removed for one is a barrier removed for all. Our group has attempted to provide you with a compilation of organizations and facilities which have responded to the challenges and epitomized Savannah's hospitality by removing barriers which have long limited those with disabilities from truly enjoying their visit.

Our local leaders have committed themselves to the strategic vision that accessibility and history are not at odds. By directing resources and resolve to easing access through the stately squares, along our riverwalk, on and off of our trolleys, buses, and ferries, and into our places of interest, we hope that we have provided for the enjoyment of the broadest diversity of abilities and disabilities, age and limitation. We welcome you to the beauty that each of us enjoys every day. We hope that you find this guide useful and that you will share it with your friends and family with the same spirit of collegiality that has made it possible.

Wayne Dawson

TRANSPORTATION & PARKING OPTIONS

DOT-DOWNTOWN TRANSPORTATION

The dot Fare-Free Downtown Transportation System, which is available to residents and visitors, is comprised of three interconnected transportation platforms, the Express Shuttle, the River Street Streetcar and the Savannah Belles Ferry, all wheelchair accessible; all fare-free.

- Express Shuttle providing service to 10 downtown stops on a 20 minute frequency
- River Street Streetcar providing service to 7 stops located along one mile of track on River Street
- Savannah Belles Ferry providing daily service between River Street and Hutchinson Island

Additional information can be obtained from dot's website at www.connectonthedot.com or by calling 912-447-4026.

CHATHAM AREA TRANSIT

Chatham Area Transit (CAT) operates a fare-free shuttle which is wheelchair accessible. For more information, please call 912-236-2111 or visit their website at www.catchacat.org

A WHEELCHAIR ACCESSIBLE TAXI (WAT) service is in the process of being developed for individuals who need to be transported in their wheelchairs. Unfortunately, the WAT service has not been implemented as of the publication date of our guide. To see current status of the service and obtain a phone number, go to www.savannahchathamdisability.org.

PARKING

The City of Savannah provides accessible parking spaces for the exclusive use of vehicles displaying the appropriate permit. These parking spaces are located in City-owned garages, City operated lots (River Street lots) and on-street. All permit spaces designated for accessible parking require payment for parking. However, after 5:00 p.m. on weekdays and all day on Saturday, Sunday and holidays, on-street parking is free. For more information, please call 912-651-6470.

SPECIAL USE OF METERED SPACES

Most spaces in downtown Savannah are metered (including accessible spaces). While the City has attempted to make the parking kiosk accessible, some individuals with disabilities may be unable to access the meter because of a mobility issue or be unable to manipulate the meter because of difficulty in dexterity. If you have such a physical disability that makes you unable to use a single or multi-space parking meter, please contact the Department of Mobility and Parking Services, Enforcement Division for assistance at (912) 651-6470. The Department will make arrangements with you that will allow for the use of metered spaces within the City while avoiding the possibility of receiving citations. Requests and assistance are taken on a case-by-case basis throughout the year.

The map displays the Savannah River and Hutchinson Island to the west of the city. Key locations include the Savannah International Trade & Convention Center, City Hall, and the Savannah Civic Center. The map shows a grid of streets with various squares and parks labeled. A legend in the bottom left corner identifies symbols for City Hall Area, Visitor Center, and various transit routes. The map is color-coded with green for parks and squares, blue for water, and brown for streets and buildings.

HISTORIC HOUSES OF WORSHIP

Call ahead for availability of interpreter. Numbers refer to approximate location on Historic District Map
